

## Mobile pre-cleaning

### Mobile suction cleaner

The mobile suction cleaner is a compact and flexible unit consisting of a screw of 3 m in length and a suction cleaner. For this unproblematic transport, the mobile suction cleaner has a robust carriage with car tyres.

#### Technical data

- Power: 30 t/h, 50 t/h, 80 t/h
- length: 3 m, 5m (screw with suction cleaner)
